Economy Universal Absorbent Roll - 2mm thick - 50m Roll

Specifications	
Material	Meltblown Polypropylene
Dimensions	50m x400x2 mm
Weight	4 Kg per Roll

This is an economy 50 metre general purpose or maintenance absorbent roll made of highly absorbent meltblown polypropylene. Designed to absorb spills and leaks over large areas The general purpose absorbent roll is suitable for all fluid spills including water based fluids, oils, and non aggressive chemicals. Can be used when spills have spread over large areas and ideal for garage and vehicle maintenance areas Easy tear perforations let you take only what you need, so you use less mat and save money. The matting is strong and not easy to tear and damage. The roll is grey in colour which masks dirt for longer use. Can be wrung out and reused Features of the universal absorbent roll include Manufactured from sonic bonded meltblown polypropylene Fine fibres and dimpled pattern allows the mat to quickly soak up liquids Rolls are ideal for covering large areas and soaking up leaks and overspray Suitable for most common industrial liquids including oils, coolant and solvent based spills
