Economy Oil Only Absorbent Roll - 2mm - 50m Roll

Specifications	
Material	Meltblown Polypropylene
Dimensions	50m x400x2 mm
Weight	4 Kg per Roll

This is an economy 50 metre oil only absorbent roll made of highly absorbent meltblown polypropylene. Designed to absorb spills and leaks over large areas The oil only roll is suitable for all oil based fluids (including lubricants, fuels and vegetable oil). Can be used when spills have spread over large areas and ideal for spill control in garages, workshops, maintenance or marine applications or anywhere an oil spill could occur Easy tear perforations let you take only what you need, so you use less mat and save money. The matting is strong and not easy to tear and damage. The roll is white in colour which draws attention to machine leaks and clearly shows saturation level during spill response Features of the oil only absorbent roll include Manufactured from sonic bonded meltblown polypropylene Fine fibres and dimpled pattern allows the mat to quickly soak up liquids Ideal for oil based spills outdoors or in workshops, factories or the marine environment Rolls are ideal for covering large areas and soaking up leaks and overspray
