Large Oil Only Absorbent Pillows - 10 Pack

Specifications	
Material	Meltblown Polypropylene
Dimensions	500x400 mm
Weight	8 Kg per Carton

Supplied in packs of 10, these large oil only sorbent pillows or cushions are filled by super absorbent polypropylene fibre Ideal for use on drips and spillages under leaking machinery and spills in hard to reach places. Can also be used for larger spills when used in conjunction with absorbent socks and pads. The oil only pillow is suitable for all oil based fluids (including lubricants, fuels and vegetable oil) The pillows are white in colour which draws attention to machine leaks and clearly shows saturation level during spill response Features of the oil only absorbent pillows include Manufactured from sonic bonded meltblown polypropylene Ideal for oil based spills outdoors or in workshops, factories or the marine environment Super absorbent fine fibres allow the pillows to quickly soak up liquids Hydrophobic technology - they do not absorb water Suitable for oil based liquids (including lubricants, fuels and vegetable oil)
