Universal Absorbent Drum Top Mats - 25 Pack

Specifications	
Material	Meltblown Polypropylene

Supplied in packs of 25, these dimpled universal or maintenance sorbent mats are made of highly absorbent polypropylene and are designed to fit 210L (55 gallon) drums perfectly with 2 holes. Ideal for keeping the drum top clean, these general purpose absorbent mats are suitable for all fluid spills including water based fluids, oils, and non aggressive chemicals. The drum top mats are strong and not easy to tear and damage. They are grey in colour which masks dirt for longer use. Can be wrung out and reused. Features of the universal drum top mats include: Manufactured from highly absorbent fine fibre polypropylene. Dimpled pattern allows mat to quickly soak up liquids. Suitable for most common industrial liquids including oils, coolant and solvent based spills. Flame resistant in original state, will melt when exposed to high heat. Designed to fit a 210 litre (55 gallon) drum perfectly with 2 access holes.
