

Oil Only Absorbent Socks 1.2m - 20 Pack CN-JH029

Product Overview

Z/CN/JH029

Oil Only Absorbent Socks 1.2m - 20 Pack

Specifications	
Material	Meltblown Polypropylene
Length	1200 mm
Weight	7 Kg per Carton

Supplied in packs of 20, these 1.2m oil only absorbent socks are filled with super absorbent polypropylene fibre. An absorbent spill sock is used as a barrier for containment during a spill. Ideal for placing around the base of leaky machinery or used as a containment dam around a spill puddle. The oil only sock is suitable for all oil based fluids (including lubricants, fuels and vegetable oil). The absorbent socks are white in colour which draws attention to machine leaks and clearly shows saturation level during spill response. Features of the oil only absorbent socks include: Manufactured from sonic bonded meltblown polypropylene. Ideal for oil based spills outdoors or in workshops, factories or the marine environment. Super absorbent fine fibres allow the pillows to quickly soak up liquids. Hydrophobic technology - they do not absorb water. Suitable for oil based liquids (including lubricants, fuels and vegetable oil).
