

Flexible Lip 4 Drum sump pallet R-PALCON4

Product Overview

Z/R/PALCON4

Sump Capacity
310 L

Flexible Lip 4 Drum sump pallet

Specifications	
Dimensions	1300 x 1500 x 440mm
Sump Volume	310 L
Weight	19 kg

This is an innovative polyethylene sump pallet for 4 drums with a flexible front lip. The flexible front lips folds down as the forklift forks lower the pallet into the sump. This allows the pallet of drums to sit within the sump walls as opposed to being placed on a grid above the sump - cool uhh! Constructed from high density polyethylene and manufactured using a rotational moulding process these sump pallets are ideal for storing various acids, alkaline solutions, oils and non-flammable chemical substances This high quality pallet is manufactured in bright yellow for high visibility
