Supplied in a handy wheelie bin, this spill Kit is suitable for use on oil based fluid leaks or general purpose water based spills. The Kit and wheelie bin will contain up to 120 litres. The absorbent dimpled pads and socks are made of highly absorbent meltblown polypropylene. These general purpose absorbent pads are suitable for all fluid spills including water based fluids, oils, and non aggressive chemicals. Ideal to use for general maintenance clean ups in workshops, schools, factories, warehouses or anywhere a spill could occur. Keep handy for immediate use. We can assemble custom spill Kits if required to suit your application. We stock all the absorbents and can build a Kit in any larger containers as you require 100 off 40cm x 50cm x 2mm absorbent mats 5 off 7.6cm dia x 1.2m absorbent socks 5 off 40cm x 50cm absorbent pillows and of course the 120l wheelie bin!
